TRIBUTE TO VELMA JUSTICE
CHILDERS

HON. HAROLD ROGERS

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Friday, December 11, 2009

Mr. ROGERS of Kentucky. Madam Speaker, I rise today to pay tribute to the late Velma Justice Childers, a Republican leader in Kentucky who proudly planted her feet in the conservative movement.

Ms. Childers was an energetic civic leader always promoting the great attributes of Pikeville, Pike County and Eastern Kentucky. She was a hard working Republican who firmly believed in conservative principles of government. Velma eagerly offered her advice, counsel and friendship to politicians, neighbors and young rising leaders.

Her ability to communicate and rally support for conservative values, earned her reference as the "Grande Dame" of the Kentucky Republican Party. In addition to her passion for civic responsibility, Velma spent a lifetime sharing compassion and encouragement with members of the First Baptist Church of Pikeville for more than 50 years and as a member of the Board of Trustees for the University of the Cumberlands for 13 years, among various other committees across Southern and Eastern Kentucky.

Madam Speaker, I ask my colleagues to join me in memory of Velma Justice Childers, a woman who tirelessly touted the values upon which our country was founded. Her enthusiasm will be missed.

WALL STREET REFORM AND CONSUMER PROTECTION ACT OF 2009

SPEECH OF

HON. MARCIA L. FUDGE

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 9, 2009

The House in Committee of the Whole House on the State of the Union had under consideration of the bill (H.R. 4173) to provide for financial regulatory reform, to protect consumers and investors, to enhance Federal understanding of insurance issues, to regulate the over-the-counter derivatives markets, and for other purposes:

Ms. FUDGE. Madam Chair, the failure to regulate financial markets led to the worst financial crisis since the Great Depression. Reforming our financial system is one major part of restoring our economy's health. Today this Congress and President Obama are taking effective steps to bring our economy back from the brink of disaster.

The Act is crucial in curbing the predatory practices of the past. It will protect consumers from predatory lending abuses and industry gimmicks.

This bill will guard a family's retirement funds, college savings, home, and business from unnecessary risk by executives, lenders, and speculators.

It will bring transparency and accountability into the financial system.

I commend Chairman FRANK for his tireless efforts to protect the American economy and taxpayers.

INTRODUCTION OF A CONCURRENT
RESOLUTION "REQUESTING
THAT THE PRESIDENT ISSUE A
PROCLAMATION ANNUALLY
CALLING UPON THE PEOPLE OF
THE UNITED STATES TO OB-
SERVE GLOBAL FAMILY DAY,
ONE DAY OF PEACE AND SHAR-
ING, AND FOR OTHER PUR-
POSES"

HON. JOHN CONYERS, JR.

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Friday, December 11, 2009

Mr. CONYERS. Madam Speaker, today I rise to introduce a resolution requesting that the President issue an annual proclamation that calls upon the people of the United States to observe Global Family Day, One Day of Peace and Sharing. Joining me in this effort is the gentleman from Ohio, DENNIS KUCINICH, and I would like to acknowledge him at this time.

Global Family Day, One Day of Peace and Sharing, is an annual observance, occurring on January 1st, that was conceived by children to further the cause of peace, sharing, and understanding among all members of the international community. As the year is coming to a close, I introduce this resolution for a few reasons.

First, I believe it is important that all people, regardless of race, culture, religion or economic status, celebrate life on earth together as one human family. A global holiday, like Global Family Day, One Day of Peace and Sharing, allows people around the world to realize this ideal by promoting global fellowship and cooperation.

A better appreciation for one another can only lead to the eradication of human suffering that results from violence, hunger, poverty, and other social ills. Practicing better global family values at the start of a new year may mean the realization of such concepts of goodwill and harmony throughout the year.

Second, I know that one day dedicated to global peace and cooperation is a day that every Member of Congress can support. Despite our differences, each of us has an interest in pursuing peaceful solutions to many of our contemporary problems. From worldwide hunger, to international human trafficking, to widespread religious intolerance, we are all impassioned by issues that call for a peaceful resolution to achieve a more desirable world.

Global Family Day, One Day of Peace and Sharing, can be one of the vehicles with which we unite to pursue these various missions for peace. A resolution calling for the recognition of Global Family Day, One Day of Peace and Sharing has always received bipartisan support as a bipartisan Congress adopted this resolution in 2000 and 2006. I am confident that there will be a similar reception this Congress.

Finally, while the Congress has adopted this resolution on other occasions, in the bipartisan spirit I have just described, we have yet to have a President issue a proclamation calling upon the people of the United States to recognize Global Family Day, One Day of Peace and Sharing.

We ask that the President and the First Family lead the nation in observing Global Family Day, One Day of Peace and Sharing
